ENTS TAROGA 1965

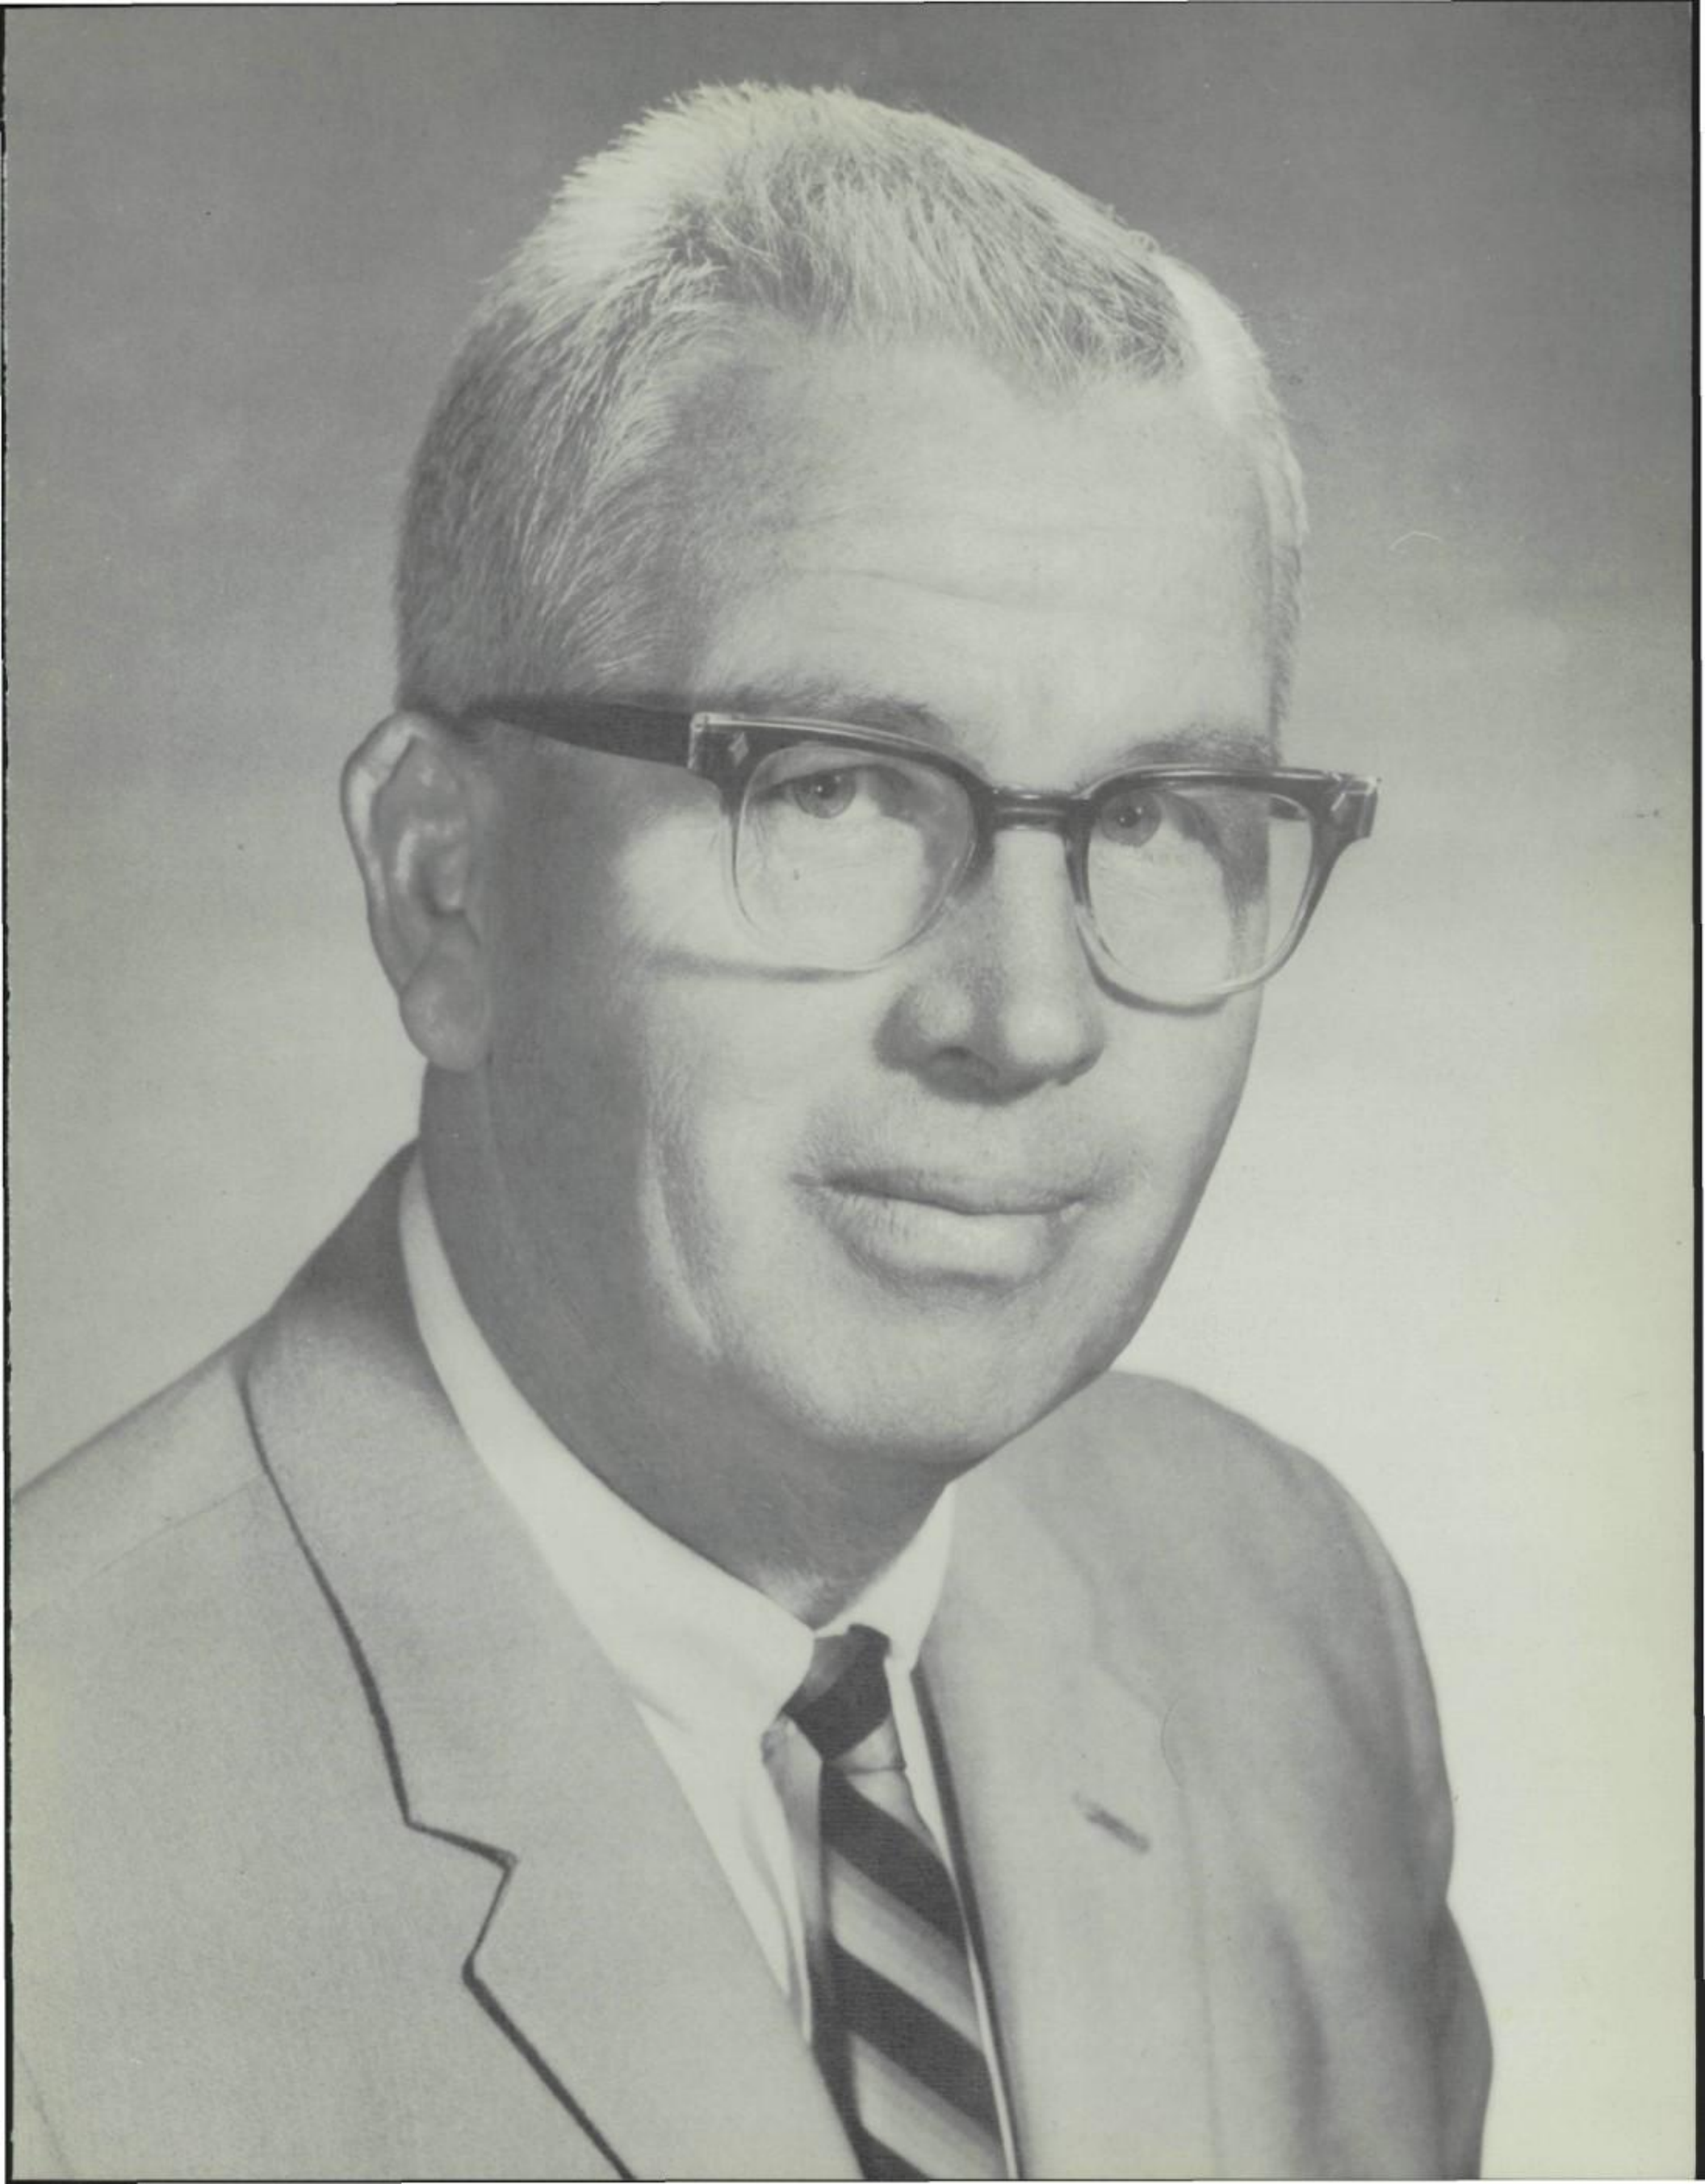

"Be ruled by time, the wisest
counselor of all."

DEDICATION

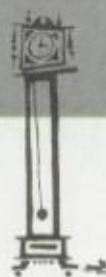

The student body of Mission Bay High School gratefully dedicates its 1965 yearbook to Mr. William Raaka. Since the school year 1959-60 began, Mr. Raaka has aided our school in its social, as well as its scholastic activities, and has served as a direct line of communication between the students and principal. Being present at every school function is part of his job, so Mr. Raaka has contributed many outside hours of work to make Mission Bay run as smoothly as it does. Work as hard and as conscientious as that done by our boys' vice-principal deserves recognition, and so it is with pride and appreciation we dedicate our Taroga 1965 to Mr. William Raaka.

FOREWORD

As we move about our school, whether it is rushing to class, progressing from sophomore to junior to senior, or spending but a brief period of our lives at Mission Bay High, we are always moved by the hand of time. Time is the center of our existence from when we are born until we die and the pendulum seems to swing its fastest when we are young and having fun. The three years we spend at Mission Bay may pass faster than any years of our lives...only time will tell. With time as the theme of this year's Taroga, the following pages carry us through the 1964-65 school year.

"To every thing there is a season,
and a time to every purpose under
the heaven."

Ecclesiastes 1:1

MR. JOSEPH H. BYRNES
Principal

All high school graduates of 1965 are entering an exciting and challenging world full of wonderful opportunities. Our society has reached a stage of development in which qualified members will have more time for cultural, educational, recreational and social pursuits. Each of you has received at Mission Bay High School the foundation upon which you can build a worthwhile life for yourself, your family, and your community.

My very warmest and best wishes to each of you. I know you will continue to participate actively, constructively, and unselfishly in rewarding activities.

Joseph H. Byrnes
Principal

MR. WILLIAM RAAKA
Vice-Principal

Congratulations and best wishes to the members of the class of 1965. We hope your educational experiences at Mission Bay will serve you well. My personal regards to each one as you pursue your future ambitions and goals.

Bill Raaka

Congratulations to the Class of 1965. It has been a privilege for all of us to know you and work with you. You have demonstrated well that those who give of themselves also are those who receive. Remember SPIRIT-- you have given it to Mission Bay High School; you carry a generous measure of it with you into your next adventures in living. Our best wishes to each of you in the exciting TIMES ahead.

FACULTY

The faculty, unlike the students, are an integral part of the school. The student comes in as an inexperienced sophomore and graduates three years later as a mature senior. The faculty member, however, spends his entire career giving himself to the school--his interest, his friendship, and his TIME. He interprets his knowledge and experience to the student and supports Mission Bay's activities with enthusiasm. It is the faculty who have made Mission Bay not just a building but an edifice of learning! Mission Bay expresses deep gratitude to the members of the faculty.

Special Recognition

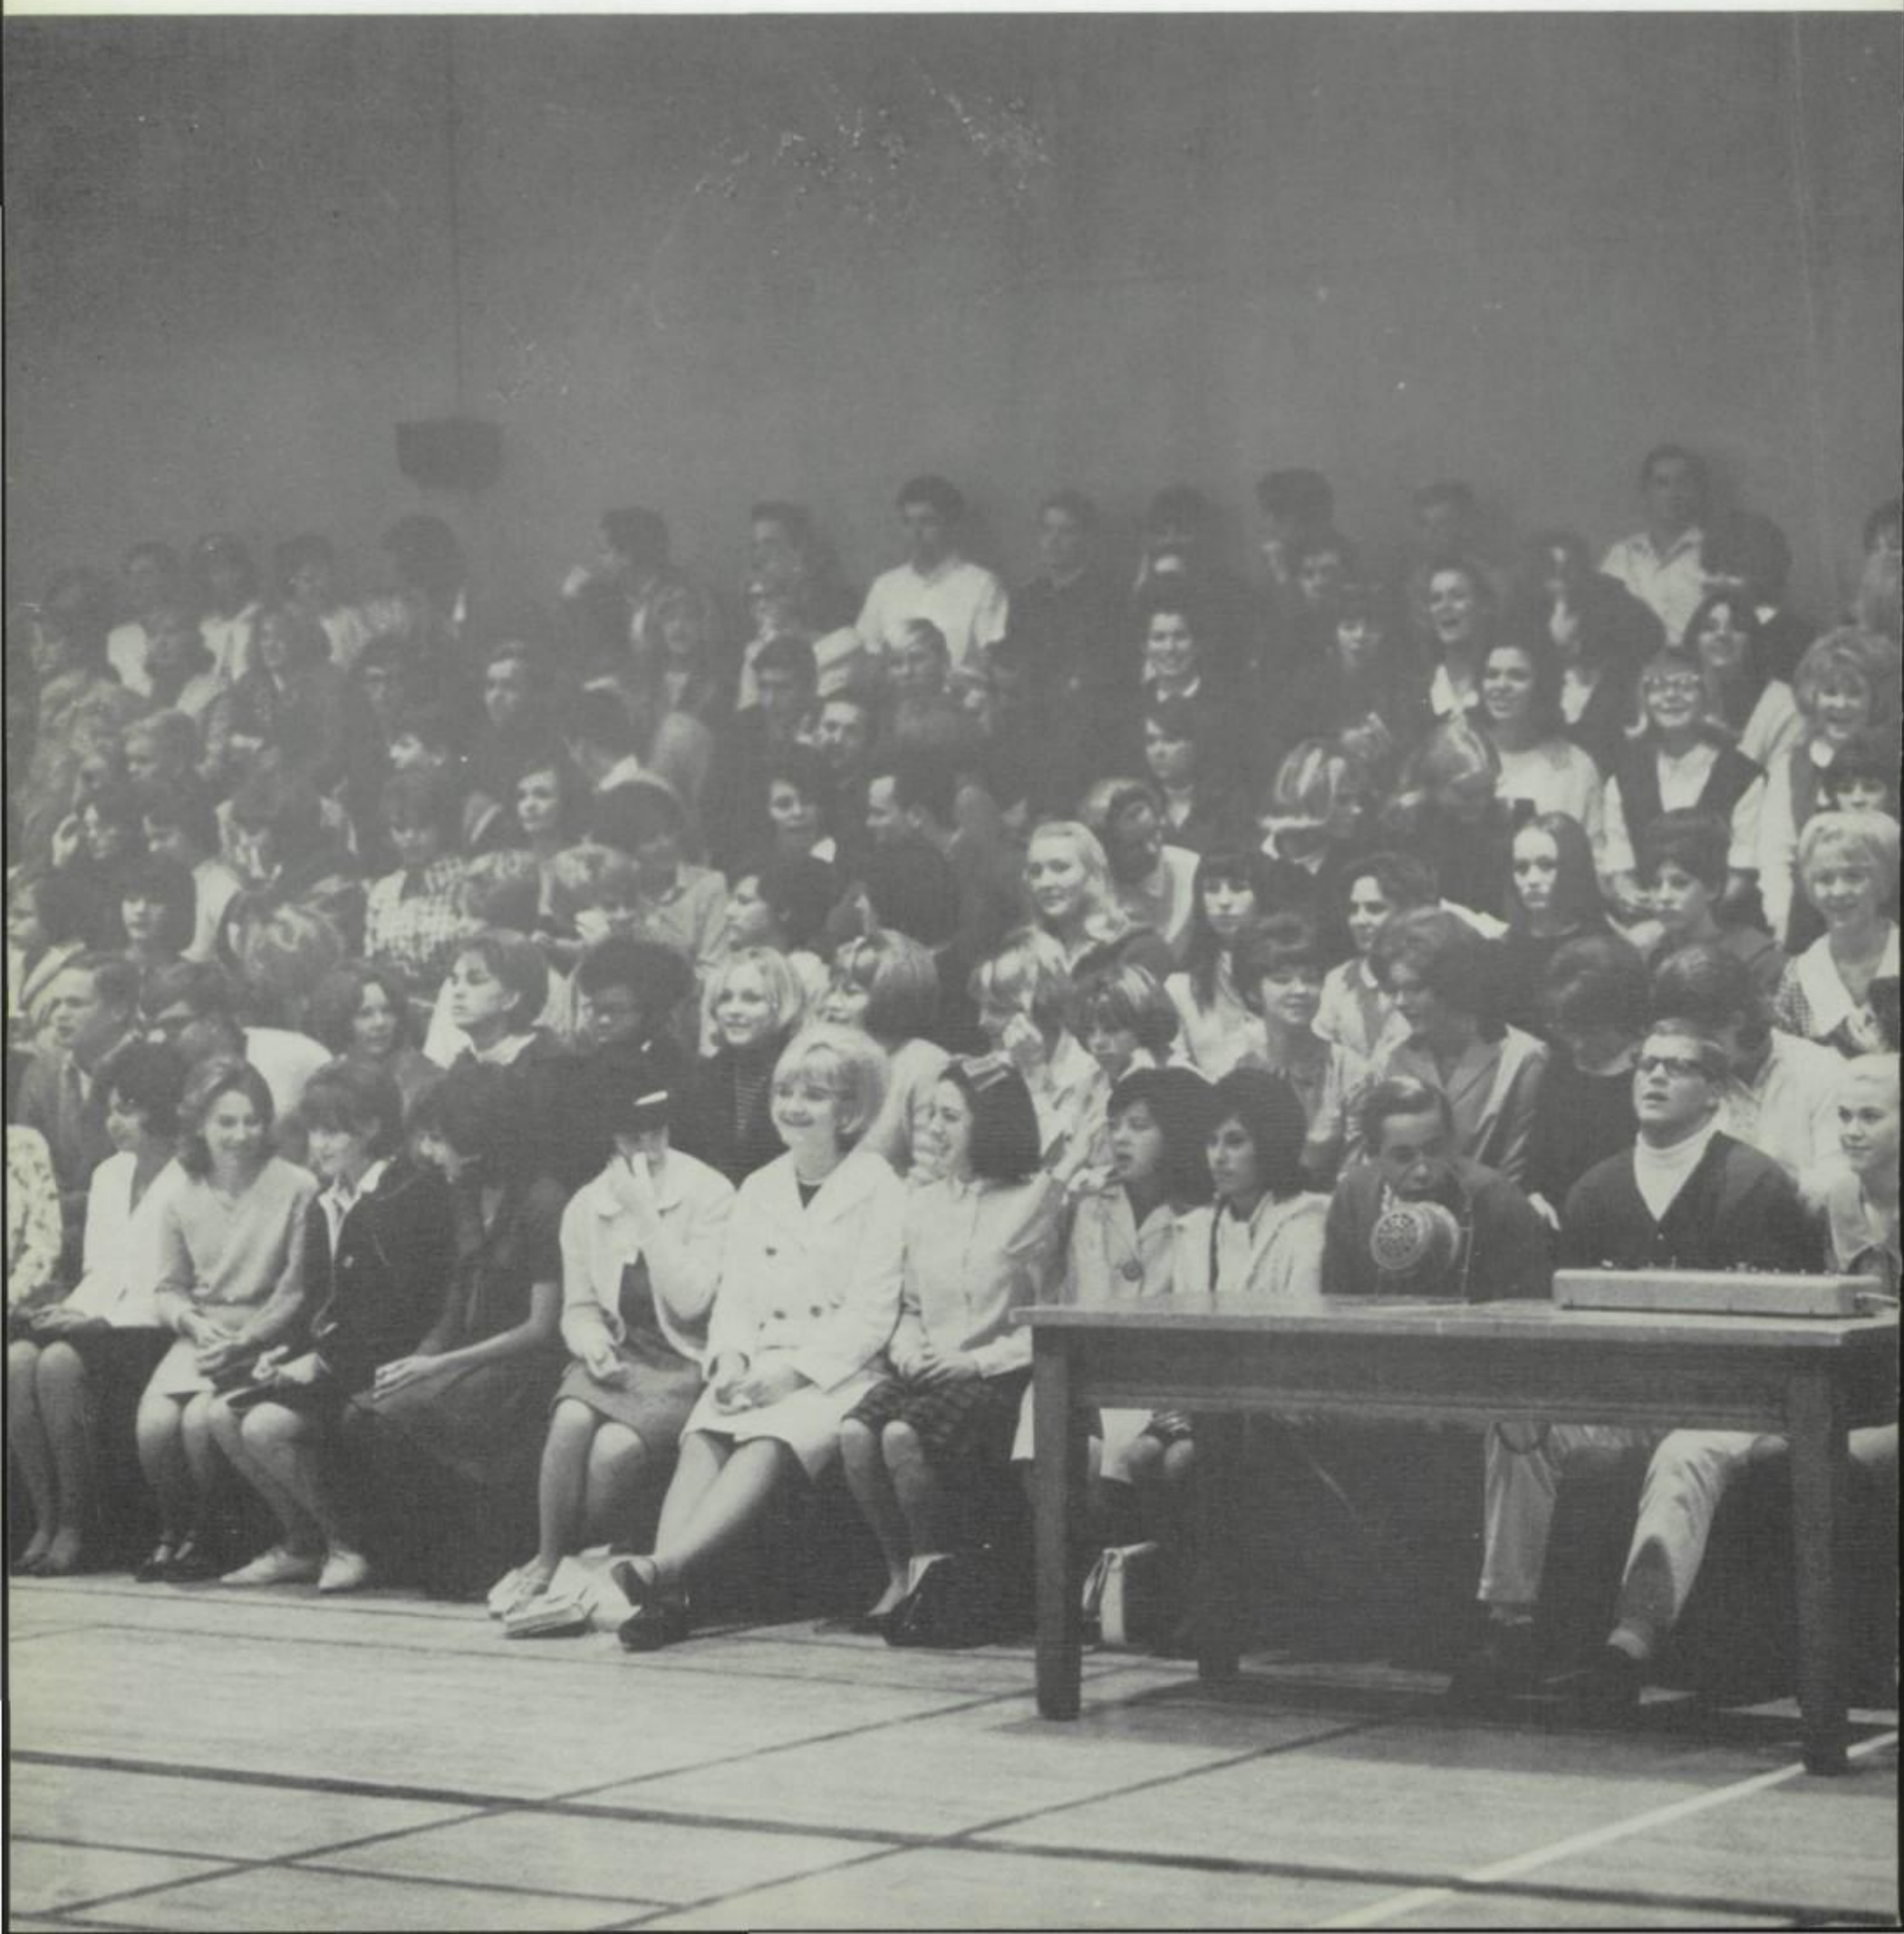

When Mission Bay Seniors are in need of help or have questions to be answered, there are two people they may turn to, the Senior Counselors. Mr. Hoff and Mrs. Bednar have guided us as we matured from the level of 10th graders to the privilege of being called a SENIOR.

The Taroga Staff would also like to thank our advisor, Mrs. Cummings, for the guidance, willingness, and Time she has devoted to us.

Commission

The Associated Student Body Commission, the government of Mission Bay High, meets as a class fifth period in room 354. These students have given their time for the student body by carrying on the governmental aspects and student interests and projects in the school. This is the first year the A.S.B. Commission has met as a class and Mr. Beck, the loyal A.S.B. advisor, has devoted his time and attention to assure Mission Bay of a fine Associated Student Body.

When this section went to the printer, Mission Bay's Varsity team was second in the league and in a very strong position to become the Western League Champs. The San Diego Evening Tribune picked Mission Bay as the top team in the league and our Bucs were trying to live up to this honor. The annual staff hopes that our team will in the succeeding Time of the season become the winners we know they are.

At the time this section went to the printer, Mission Bay's Junior Varsity team was unbeaten in the first four games of the season. If this is any indication of what's to come, we of the annual staff foresee a great varsity team for next year. We can only hope that this impressive record will continue in Time.

Is the Last Year at Mission Bay;
Time Has Passed Quickly, Perhaps too Quickly.
Yet for Others a Year or Two Remains at
Mission Bay in Which to Grow and Learn.

Mission Bay or Newer Horizons in College or
Work, We Will Remember This Year,
1964 - 65, at Mission Bay.*
